# FOREWORD

Through the orange and green doors we enter into life at Chilhowie High. These portals are symbols of intangible "doors" through which we may enter into a fuller life by the wise guidance of our teachers, diligent study in classes, active participation in clubs, and enthusiastic competition in sports. This record, the 1961 CHILVALEE, is made possible through "doors" of salesmanship - sales to the advertisers and you the subscribers. COLORS: Blue and White
FLOWER: Forget-me-not
MOTTO: "Upward and Onward"

Selecting colors, flower, and motto for class approval are Richard Kilby, Glenna Powers, Suzie Manuel, and Jo Ann Dinkins.

Although the Class of 1961 is not the largest Senior Class in the history of Chilhowie High School, it has the unique distinction of being the last fully-organized class to graduate under the four-year system. Not all the seventy members will graduate in June, but some will complete their requirements in summer school.

"So, then, to every man his chance—
To every man, regardless of his birth,
His shining, golden opportunity—
To every man the right to live,
To work, to be himself
And to become
Whatever things his manhood and his vision
Can combine to make him—
This seeker,
Is the promise of America."
Thomas Wolfe
